JERRI MANTHEY is probably one of the first and most popular stars to be born from the reality television craze sweeping the world.

★ Jerri Manthey Survivor

Currently, Jerri has just wrapped a short film entitled "Widowmaker" which has been accepted into it's first film festival as well as a sci fi movie shot in Hawaii - soon to be released on the Sci Fi channel. In addition, she performs with Deep Eddy, a psychedelic blues band unlike any other. Jerri dances, sings, performs with fire, is the hand percussionist and plays the djembe drum. Deep Eddy plays at Harvelle's in Santa Monica every Wednesday night. She also works part-time as a personal chef and has cooked for various celebrities.

As a writer, she has been published in DETOUR, BACKSTAGE WEST and ELECTRONIC MEDIA magazines. In addition, her edgy and honest opinions have been sought after for various articles in TV GUIDE, MADMOISELLE and RAZOR. She currently writes a weekly column for CdKitchen.com, sharing her personal stories and recipes with people across the globe.
